WINE LIST

APRIL 2011

Here at Tuscany we are all about great food. What better to enhance the wonderful flavors of Italy than wine. I have hand picked each wine on our wine list to complement the aromas and flavor's of our menu items. In support of our local communities, all of our domestic wines are Washington State wines from the Horse Heaven Hills, Red Mountain and Columbia Valley AVA's. We also have a limited selection of Italian wines to please your palate. I hope you will enjoy these selections as much as I have. ~
